

Dear Kindergarten Families,

In preparation of an emergency school closure, the Kindergarten team has come up with a continuity of education plan to continue to provide the best possible education while off school. It is recommended that students spend at least a total of 2 hours daily on the following subjects. Most of the sources are online, however, if no internet access is available, pencil and paper activities will be provided. In this letter you will find links to be used to stay connected with us and student logins:
